Description:

TO PROTECT A CHILD When Delta Force soldier Caleb Judds brother and sister-in-law are murdered, the killers turn their attention on his orphaned nephew. Calebs new mission: protect little Tommy—who hasnt said a word since witnessing his parents deaths—and figure out whos

targeting his family. He needs help, and security expert Shelley Rabb is perfect for the job. But Calebs used to calling the shots, not taking orders...even when they come from a beautiful former Secret Service agent. Shelley knows firsthand what can happen when business becomes personal, so she vows not to get too close to Caleb and his nephew. She will risk her life to make sure theyre safe, but will that mean risking her heart, too?

Emotions run high in Jane Choates latest LIS, *The Littlest Witness*. My heart went out to Tommy as the anguish of a child whod seen too much for his tender age fills the pages with the very reason for this story. Caleb Judd, Delta Force soldier bears his own private agony steeped in family memories only to have it compounded by his brothers death, leaving little Tommy in his care. And Shelley Rabb, the bodyguard hired to protect Tommy and Caleb from those responsible for the deaths of Tommys parents, hides soul-wrenching hurts even as she fights to protect her clients and those who cant protect themselves. When the client-bodyguard relationship becomes more than just business, Shelley and Caleb learn that trust and sacrifice go a long way in healing wounded hearts. The process of healing is an intricate one as Caleb and Shelley learn to trust one another and turn to God for strength and mercy. Ms Choate pens an excellent suspense, worthy of being book 2 in the S&J Protective Services series. If you havent read the first book, *Keeping Watch*, please dont wait any longer. .
